Dr. Jane Henney, Commissioner
U.S. FDA
5600 Fishers Lane
Room 1471
Rockville, MD 20857

Dear Madam:

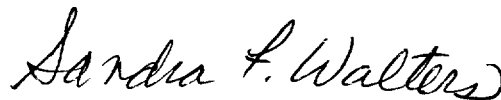

I wish to end the use of all antibiotics used in human medicine, and closely-related drugs, in animal food.

As I am sure you know, this is the recommendation of the World Health Organization.

Special interest groups such as agribusiness should no longer be permitted to influence policies that affect everyone.

Please use all of your efforts to impose a ban on non-therapeutic use of antibiotics in agriculture.

Yours very truly,

Sandra F. Walters
